In complete detail provide all information you have on this incident. Start at the very beginning before the abuse started; first, pinpoint where the bully and victim were sitting/standing and then tell what happened from that point.

Andrew is walking across the gym towards the locker room and Gene is hiding by the stage. When Andrew walks by Gene jumps out and knocks all of Andrew's books all over the floor from behind him. Andrew starts picking up his books and Gene kned him in the thigh very hard and yelled "charlie horse.....Andrew falls down on the floor in pain and Gene, Chuck, Earl and Coach Black are laughing at Andrew.....Gene yells some mean stuff at Andrew and walks off..."

Have you witnessed this bully abusing other students in the past? If Yes, please provide any details of other bullying incidents that you have witnessed or seen in the past involving this bully.

Gene bullies all the time. I am on his bus and he hits everybody smaller than him.
